

The countdown is on...

... until the Ars Electronica Festival finally starts again in 19 days. Until then, we recommend our [program overview](#), which grows daily and serves as a travel guide to 'Planet B'. You can already check out the big [STUDIO\(dys\)TOPIA](#) Exhibition around the festival theme, the [S+T+ARTS Exhibition](#) and the [CAMPUS Exhibitions](#) - or take a look at the [performance program](#) and get in the mood for musical entertainment.

We hope you're looking forward to exploring Planet B!
Your Ars Electronica Team

FESTIVAL

STUDIO(dys)TOPIA - At the Peak of Humankind

With a major exhibition on the theme of this year's Ars Electronica, STUDIO(dys)TOPIA explores the question of how we can finally put sustainable practices into action.
